Modular Sign Systems

Slatz

Slatz directories can be installed just about anywhere. Alcoves and inconvenient architecture are no problem for the unique face-fitting components of the Slatz sign system.

- Wayfinding and directional signage
- Single door panels
- Directories
- IN / OUT slider signage
- Braille and tactile signs
- Projecting and suspended signs
- Slim version also available on request

Call Spandex on **0800 77 26 33** for more information on our Modular Sign Systems

Infopanel

Infopanel is the key to great looking exterior directories.
It's as versatile as you need it to be.

- Free standing single and multipanel signs
- Wall mounted single and multipanel signs
- Wayfinding
- Corporate identity
- Car park signage
- Entrance signs
- Building identification
- Maps and site plans

Call Spandex on **0800 77 26 33** for more information on our Modular Sign Systems

Monoform

Monoform gives you a free hand to produce
beautifully curved signs up to 3 metres high.

- Backlit advertising
- Corporate identity signage
- Directional signs
- Information signs

Call Spandex on **0800 77 26 33** for more information on our Modular Sign Systems

Monoframe

Monoframe is the most direct route to attractive, post-mounted identity signage. Monoframe will make sure your message gets noticed.

- ☐ Backlit advertising
- ☐ Corporate identity signage
- ☐ Directional signs
- ☐ Information signs

Call Spandex on **0800 77 26 33** for more information on our Modular Sign Systems

Sculptura

The Sculptura system provides a strong structural framework from which it is possible to build sign cubes, rectangles and triangles to virtually any size and proportion.

- Wayfinding
- Corporate identity
- Car park signage
- Entrance signs
- Building identification
- Maps and site plans

Call Spandex on **0800 77 26 33** for more information on our Modular Sign Systems

C-Fix

C-Fix is a refreshing approach to 'fingerpost' and 'free-standing' signs. Designed to meet the demand for an alternative to the overworked 'Victoriana' style and can be finished with flat aluminium caps or an attractive dome cap.

- Multi directional signage
- Identity and information signage
- Wayfinding signs
- Pole and panel signage - single or double sided

Call Spandex on **0800 77 26 33** for more information on our Modular Sign Systems
